Money,

The best thing since Xbox,

You can buy anything

If you have the _Chaching_

Master Chief can buy new equipment,

And maybe some new armor,

If Kaiba saw him,

Well, lets not go there,

Kaiba is a millionaire,

Even though he's an anime character

Money,

The new way of expressing love,

Buying things,

And saving up.

AN: Bleh kinda dull if you ask me.
